**THIRD AMENDED PLAN OF REORGANIZATION
OF SUPERIOR AIR PARTS, INC. AND
THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS**

Dated July 17, 2009

Comes now, Superior Air Parts, Inc. (the “Debtor”) and the Official Committee of Unsecured Creditors (the “Committee”), and jointly propose the following Third Amended Plan of Reorganization (the “Plan”) pursuant to 11 U.S.C. §1121.

**ARTICLE I
SUMMARY OF PLAN**

Capitalized terms used in the following summary are as defined in Article II of the Plan, Definitions. ***The following summary is included for convenience of the reader and shall not modify the specific terms of this Plan:***

The Plan general provides for the resumption and continuation of the Debtor’s business, including the assembly and sale of piece parts, cylinder assemblies, and

Vantage engines at its facility in Coppell, Texas or nearby. Ownership of the Debtor will be transferred to the Brantly Group, unless a higher and better offer is received pursuant to the Bid Procedure approved by the Court on July 22, 2009.

The Brantly Group has designated Weifang Freesky Aviation Technologies Co as the entity to which the stock in the Reorganized Debtor will be issued but has the option to designate any of the other affiliates prior to closing. The entity to which the stock will be issued will be referred to as "Brantly." TAG will receive no distribution on account of its shares in the Debtor and those shares will be cancelled.

The Reorganized Debtor will retain all current employees of the Debtor, including Kent Abercrombie, the current President of the Debtor, to operate the Reorganized Debtor.

Brantly will pay a Cash Contribution of \$7.0 million, subject to certain adjustments, into a Creditors Trust for payment of Allowed Claims, as more particularly described in this Plan. The Cash Contribution will be decreased pursuant to the Purchase Price Adjustment if, on August 31, 2009, Superior has less than \$2 million in cash and less than \$9.14 million in gross inventory and accounts receivable (excluding the account receivable from TAE) and will be increased if gross inventory and accounts receivable (excluding the account receivable from TAE) exceed that amount. Any cash in excess of \$2 million will be transferred to the Creditors' Trust.

The Creditors' Trust will distribute \$500,000 to TAE, in full satisfaction of its proof of claim filed in the amount of \$18,208,260. The Creditors' Trust will distribute 58% of the first \$5.0 million of Distributable Cash and 67% of Distributable Cash above \$5.0 million to TAG, Debtor's parent, in full satisfaction of TAG's proof of claim filed in the amount of \$10,146,611. In consideration for the concessions made by TAE and TAG, they will be released from any and all claims and causes of action by anyone in connection with the Debtor or this case.

The balance of the funds in the Creditors' Trust will be used to administer the trust and pay Class 7 General Unsecured Creditors on a *Pro Rata* basis.

Allowed Administrative Claims for the following Creditors will be paid in full on the Effective Date: (i) all professional fees of the Debtor and the Committee, and (ii) all § 503(b)(9) administrative claims due to vendors who shipped goods to the Debtor within twenty days of the Petition Date.

The Secured Claims which consist of claims secured by liens on Debtor's parts cleaning oil machine (Class 3), telephone system (Class 4), and Debtor's CMM parts measuring machine (Class 6), will be assumed by the Reorganized Debtor and paid in accordance with their terms. The secured claim which consists of a claim secured by liens on the Debtor's office equipment (Class 5) will be either be assumed by the Reorganized Debtor or the Debtor will return the collateral to the holder of the Secured Claim in satisfaction of the Secured Claim. The 2009 taxes will be paid by the Reorganized Superior when due.

In addition to the Cash Contribution, the Plan includes certain provisions which reduce the pool of claims of unsecured creditors including the following:

1. The Reorganized Debtor will assume all outstanding purchase orders provided that vendors agree to delay delivery for up to eighteen months if requested by the Reorganized Debtor in exchange for the release of any claims of vendors against the Debtor arising out of such purchase orders.
2. The Reorganized Debtor will assume the Debtor's obligations under its liability insurance policies to pay defense costs up to the deductible limits as provided in the policies.
3. The Debtor will negotiate with its landlord leasing Debtor's facilities space in Coppell, Texas to modify the existing lease in an effort reduce or eliminate the landlord's potential \$450,000 claim, less its deposit, for the rejection of the existing lease. If the negotiations are unsuccessful, the Debtor will move its operations and reject the lease.
4. The Reorganized Debtor will honor all warranty claims for product failures occurring after the Effective Date of the Plan, regardless of whether such parts were sold before the Effective Date.

The provisions of this Plan shall bind any holder of a Claim against, or Interest in, the Debtor and its respective successors and assigns, whether or not the Claim or Interest of such holder is impaired under this Plan and whether or not such Holder has accepted this Plan.

Upon the Effective Date, all debts of, Claims against, and Interests in the Debtor or its assets of any nature whatsoever, shall be completely satisfied, discharged and released to the full extent provided by § 1141(d)(1) of the Bankruptcy Code except as otherwise provided in this Plan or the Confirmation Order. The discharge of the Debtor shall be effective as to each debt, Claim or Interest, regardless of whether a proof of Claim or proof of Interest therefore was filed, whether the Claim or Interest is Allowed, or whether the holder thereof votes to accept this Plan. On the Effective Date, as to every discharged debt, Claim and Interest, all persons, entities and governmental units (including, without limitation, any holder of a debt, Claim or Interest) shall be precluded from asserting against the Debtor or Reorganized Debtor or against such Debtor's or Reorganized Debtor's assets or properties, or the Creditors' Trust or its assets any other or further debt, Claim or Interest based upon any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the Effective Date.

ARTICLE VII **TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

7.1 Assumption of Insurance Policies: The Reorganized Debtor will assume any and all Reimbursement Obligations of the Debtor under the liability insurance policies listed on *Exhibit 1*.

7.2 Assumption and Modification of Prepetition Purchase Orders: The Reorganized Debtor will assume those pre-petition executory purchase orders listed on *Exhibit 2*, which consist of legally binding purchase orders in existence when this case was commenced but where the goods had not yet been delivered ("Executory Purchase Orders"), provided that the non-debtor parties agree to:

(a) give the Reorganized Debtor a credit for any goods identified on the Executory Purchase Orders which were ordered and paid for after the commencement of this case and

(b) modify the delivery date on such purchase orders for up to 18 months from the Effective Date as requested by the Debtor prior to confirmation of the Plan, in order to give the Reorganized Debtor an

opportunity to restore full operations in an orderly and cost-effective manner.

The Debtor will contact all vendors on *Exhibit 2* at least ten days before the deadline for voting on the Plan and request modifications to an Executory Purchase Order. If an agreement is reached on an Executory Purchase Order, the Reorganized Debtor will assume the Executory Purchase Order as modified by the written agreement of the parties.

Any vendor may refuse to agree to any modification to the Executory Purchase Orders requested by the Debtor. If the vendor and the Debtor cannot reach an agreement on modifications to an Executory Purchase Order, the Debtor may reject such purchase order by notifying the vendor of such rejection and filing a notice of such rejection with the Court on or before the Confirmation of the Plan. If an Executory Purchase Order is rejected, the vendor may file a proof of claim for any damages arising out of the cancellation of the such purchase order which, if allowed, shall become part of the Class 7 General Unsecured Claims. The Debtor and the Committee reserve for the Creditors' Trust any rights to object to such claims.

7.3 Assumption and Modification of Lease with Texas Duggan Limited

Partnership: The Debtor will attempt to renegotiate its lease of its facility in Coppell, Texas with Texas Duggan based on today's market conditions. If the Debtor reaches an agreement, Debtor will file with the court a notice of assumption and modification of such lease at least ten days prior to the Confirmation Date. Otherwise such lease will be rejected as of the Effective Date of the Plan and the Debtor will vacate the premises on or before that date. The Debtor is currently paying its rent and so does not expect to pay any cure amount if it assumes the lease. Texas Duggan's proof of claim for any damages arising out of the cancellation of the lease, if allowed, shall become part of the Class 7 General Unsecured Claims. The Debtor and the Committee reserve for the Creditors' Trust any rights to object to such claim.

7.4 Rejection of Executory Contracts and Unexpired Leases: All Executory Contracts and Unexpired Leases that have not been specifically assumed by the Debtor under the Plan shall be rejected as of the Effective Date.

7.5 Cure of Defaults: Reorganized Debtor shall cure all defaults existing under any assumed insurance contracts on Exhibit 1 pursuant to the provisions of §§ 1123(a)(5)(G) and 365(b) of the Bankruptcy Code, by paying the amount, if any, determined by the Bankruptcy Court required to be paid in order to assume such Executory Contract and/or Unexpired Lease. Payment of such amounts shall be made by the Reorganized Debtor on the later of (i) the Effective Date, (ii) the date the Bankruptcy Court determines the cure amount by Final Order, or (iii) the date the Reorganized Debtor and the party to such contract agree on a cure amount.

The Cure Amounts for Executory Purchase Orders assumed under paragraph 7.2 of this Plan shall be deemed to be zero since the Reorganized Debtor will take delivery of goods covered by such purchase orders.

7.6 Rejection Damage Claims: Each person who is a party to an Executory Contract and/or Unexpired Lease rejected pursuant to this Article shall be entitled to file, not later than thirty (30) days after the Effective Date, which is the deemed date of such rejection, a proof of claim for damages alleged to arise from the rejection of the Executory Contract and/or Unexpired Lease to which such person is a party. A copy of such Claim shall be sent to the Creditor's Trustee. The Bankruptcy Court shall determine any such objections, unless they are otherwise resolved. All Allowed Claims for rejection damages shall be treated as Class 7 Claims, and the Creditor's Trust and/or the Creditor's Trustee shall have standing to object to any such rejection damage Claim so filed.

ARTICLE VIII PROVISIONS REGARDING DISTRIBUTIONS

8.1 Date of Distributions: Except as otherwise provided by this Plan, any Distributions and deliveries to be made to holders of Allowed Claims in Classes 1-6, shall be made on the Effective Date or as soon thereafter as may be practicable. As to Disputed Claims, Distributions shall be made as set forth in this Article VIII.

8.2 Distributions: The Reorganized Debtor shall make all Distributions required under this Plan with respect to Claims in Classes 1-6. All other Distributions under this Plan shall be made by the Creditors' Trust.

8.3 Means of Cash Payment: Cash payments made pursuant to this Plan shall be in U.S. funds, by check drawn on a domestic bank, or, at the option of the Reorganized Debtor or the Creditors' Trust, as the case may be, by wire transfer from a domestic bank, except that payments made to foreign creditors holding Allowed Claims may be in such funds and by such means as are customary or as may be necessary in a particular foreign jurisdiction.

8.4 Delivery of Distributions: Subject to Bankruptcy Rule 9010, Distributions to holders of Allowed Claims shall be made at the address of each such holder as set forth on the proofs of Claim filed by such holders (or at the last known addresses of such holder if no proof of Claim is filed or if the Debtor has been notified in writing of a change of address), except as provided below. If any holder's Distribution is returned as undeliverable, no further Distributions to such holder shall be made unless and until the Reorganized Debtor or Creditors' Trustee, as the case may be, is notified of such holder's then current address, at which time all missed Distributions shall be made to such holder without interest. Amounts in respect of undeliverable Distributions shall be returned to the Reorganized Debtor with respect to Classes 1-6 and to the Creditors' Trust with respect to Classes 7-9 until such Distributions are claimed. All claims for undeliverable distributions shall be made on or before two months following the final Distribution to Class 7 Creditors. After such date, any claim shall be forfeited.

8.5 Time Bar to Cash Payments: Checks issued by the Reorganized Debtor or the Creditors' Trust, as the case may be, in respect of Allowed Claims shall be null and void if not negotiated within six months after the date of issuance thereof.

Requests for re-issuance of any check shall be made directly to the Reorganized Debtor or the Creditors' Trustee, as the case may be, by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before 120 days after the date of re-issuance of such check. After such date, all Claims in respect of void checks shall be discharged and forever barred.

8.6 Distributions Pending Allowance/Distributions after Allowance:

Distributions pending Allowance of a Claim and distributions after Allowance of a Claim are governed by sections 9.3 and 9.4 hereof.

ARTICLE IX
PROVISIONS FOR RESOLVING DISPUTED CLAIMS

9.1 Prosecution of Objections to Claims: After the Effective Date, the Reorganized Debtor and the Creditors' Trustee shall have the exclusive authority to file objections to Claims which they would, respectively, be required to pay. Any objections to Claims must be made before the date that is 90 days after the Effective Date, or such other date as is established by order of the Bankruptcy Court.

9.2 Estimation of Claims: The Debtor, the Reorganized Debtor, or with respect to Classes 7-9, the Creditors' Trustee, may, at any time, request that the Bankruptcy Court fix, liquidate or estimate any contingent or unliquidated Claim pursuant to § 502(c) of the Bankruptcy Code or other applicable law regardless of whether the Debtor has previously objected to such Claim, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, such estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. The Bankruptcy Court's entry of this order may limit the distribution to be made on individual Disputed Claims regardless of the amount finally Allowed on account of such Disputed Claims and no holder shall have recourse against the Debtor, the Reorganized Debtor, the Creditors' Trust, their assets or any of their respective professionals. If the estimated amount constitutes a maximum limitation on such Claim, the Debtor, the Reorganized Debtor, or the Creditors' Trust may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned Claims objections, estimation and resolution procedures are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court. If a holder of a Claim fails to seek estimation of a Claim at any time prior to the final distribution date of the Creditors' Trust, such Claim shall be treated as a disallowed Claim without further Order of the Bankruptcy Court on the final distribution date of the Creditors' Trust. Any unliquidated claim or contingent Claim shall be treated as a Disputed Claim until and unless it becomes an Allowed Claim pursuant to a Final Order of the Bankruptcy Court.

9.3 Payments and Distributions on Disputed Claims: Partial payments or partial distributions may be made with respect to a Disputed claim on the undisputed portion of such Disputed Claim, pending resolution of such disputes by Final Order. No reserve for Disputed Claims other than those in Classes 7-9 shall be established. All obligations in respect of Disputed Claims for Claims shall be undertaken after the Effective Date by the Reorganized Debtor.

9.4 Distributions After Allowance: The Reorganized Debtor or the Creditors' Trust, as applicable, shall make all payments and distributions required to be made under this Plan as soon as practicable after the date such Disputed Claim becomes an Allowed Claim. Such distributions shall be based upon the cumulative distributions that would have been made to the holder of such Claim under this Plan if the Disputed Claim had been Allowed on the Effective Date less actual distributions made pursuant to section 9.3 hereof.

ARTICLE X EFFECT OF CONFIRMATION, DISCHARGE, RELEASES, AND INJUNCTION

10.1 Binding Effect: Except as otherwise provided in § 1141(d) of the Bankruptcy Code, on and after the Effective Date, the provisions of this Plan shall bind any holder of a Claim against, or Interest in, the Debtor and its respective successors and assigns, whether or not the Claim or Interest of such holder is impaired under this Plan and whether or not such Holder has accepted this Plan.

10.2 Discharge: Except as otherwise provided in this Plan or the Confirmation Order and subject to §1141(d)(1) of the Bankruptcy Code, upon the Effective date, all debts of, Claims against and Interests in the Debtor of any nature whatsoever including interest thereon, its assets, or properties, shall be completely satisfied, discharged and released. The discharge of the Debtor shall be effective as to each debt, Claim or Interest, regardless of whether a proof of Claim or proof of Interest therefore was filed, whether the Claim or Interest is allowed, or whether the holder thereof votes to accept this Plan. On the Effective Date, as to every discharged debt, Claim and Interest, all persons, entities and governmental units (including, without limitation, any holder of a debt, Claim or Interest) shall be precluded from asserting against the Debtor or Reorganized Debtor or against such Debtor's or Reorganized Debtor's assets or properties, or the Creditors' Trust or its assets any other or further debt, Claim or Interest based upon any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the Effective Date.

10.3 Preservation of Rights of Action: Except as otherwise provided in the Plan or in any contract, instrument, or agreement entered into in connection with the Plan, in accordance with § 1123(b) of the Bankruptcy Code, the Reorganized Debtor and the Creditors' Trust, as applicable, shall retain and may exclusively enforce any claims, rights and causes of action that the Debtor may hold against any person or entity that have not been released under the Plan. The Reorganized Debtor and the Creditors' Trust, as applicable, may pursue such retained Claims, rights or causes of

action, as appropriate, in accordance with the best interests of, as applicable, the Reorganized Debtor or the Class 7 and Class 9 Creditors.

10.4 Exculpation and Release: As of the Effective Date, the Debtor, the Committee, Brantly and their respective advisors, attorneys, agents or any professionals retained by them (acting in such capacity) shall neither have nor incur any liability to, nor be subject to any right of action by, any person or entity for any act taken or omitted to be taken in connection with or related to the formulation, preparation, dissemination, implementation, administration, Confirmation or effectiveness of this Plan, the Disclosure Statement, the solicitation of votes for and the pursuit of Confirmation of this Plan, the consummation of this Plan or the administration of this Plan or the property to be distributed under this Plan, or any contract, instrument or other agreement or document created or entered into in connection with this Plan, or any other act taken or omitted to be taken in connection with this Bankruptcy Case; provided, however, that the foregoing provisions of this section 10.4 shall have no effect on the liability of any person or entity that results from any such act or omission that is determined in a Final Order to have constituted gross negligence or willful misconduct. Notwithstanding the foregoing, Brantly shall not be released from any of its obligations under the Plan.

10.5 Injunction: Except as otherwise provided in, or permitted under this Plan, from and after the Effective Date, all persons and entities that have held, currently hold or may hold a Claim or Interest or other debt or liability or right that existed prior to the Effective Date, are permanently enjoined on and after the Effective Date against the (a) commencement or continuation of any judicial, administrative, or other action or proceeding against the Debtor, Reorganized Debtor, the Committee, or Brantly, as the case may be, on account of Claims against or Interests in the Debtor; (b) enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree, or order against the Debtor, Reorganized Debtor, the Committee, or Brantly, or any assets or property of same; or (c) creation, perfection or enforcement of any encumbrance of any kind against the Debtor, Reorganized Debtor, the Committee, or Brantly, as the case may be, arising from a Claim. This provision does not enjoin the prosecution of any claims that arise on or after the Effective Date nor does it enjoin the determination of the allowance of any Claims that arose prior to the Effective Date by a court of competent jurisdiction.

ARTICLE XI CONDITIONS PRECEDENT

11.1 Deposit: Brantly shall have made an earnest money deposit of \$700,000 into a segregated Debtor-In-Possession Account refundable upon the terms of this Plan and Bid Procedures.

To the extent the Debtor does not have sufficient cash on hand to satisfy this condition on August 31, 2009, the Cash Contribution shall be reduced by the amount of any deficiency in satisfaction of this condition.

11.3 Waiver of Conditions: Brantly may waive any of the conditions set forth in section 11.2 of this Plan, except for condition 11.2(a) and condition 11.2(c), which may be waived only with the concurrence of the Debtor and Committee, at any time, without notice, without leave or order of the Bankruptcy Court, and without any formal action other than proceeding to consummate this Plan.

WHEREAS, the Bankruptcy Court entered an order confirming the Plan of Reorganization (the "Plan") proposed by the Debtor and the Committee on _____, 2009 in the Bankruptcy Case;

WHEREAS, the Plan provides for (i) the transfer of the Trust Assets (as defined in the Plan, together with all other assets as may become part of the trust estate, the "Trust Assets"), into a newly created grantor trust, (ii) the management, safekeeping and orderly liquidation of the Trust Assets by the Trustee with direction from the Trust Advisors, (iii) the distribution to the Trust's creditors and beneficiaries of the net proceeds from the sale, lease or other disposition of all or part of the Trust Assets, and (iv) the ultimate distribution of any remaining proceeds (or if such assets cannot be sold, the distribution thereof) to the creditors and beneficiaries of the Trust in accordance with the Plan upon termination of the Trust;

NOW, THEREFORE, in order to effectuate and comply with the terms and conditions of the Plan, the parties hereto agree as follows:

1. Creation of the Trust.

1.1 Appointment of the Trustee. In accordance with the provisions of the Plan, _____ is hereby named as the Trustee to hold, manage, and distribute the Trust Assets for the benefit of the Trust beneficiaries pursuant to the terms of this Agreement and the Plan. **[THIS SECTION TO BE COMPLETED BY CONFIRMATION]**

1.2 Acceptance by the Trustee. The Trustee is willing and does hereby accept the appointment to serve as trustee and hereby agrees to administer the Trust Assets pursuant to the terms of this Agreement and the Plan.

1.3 Name of the Trust. The Trust established hereby shall bear the name "Superior Creditors' Trust." In connection with the exercise of his powers as trustee, the Trustee may use such name or such variation thereon as he sees fit, or may use his own name, as Trustee, or otherwise.

1.4 Trust Advisors. An oversight committee (the “Trust Advisors”) operating by majority vote, shall have the power, subject to the terms of the Plan and this Agreement, to direct the activities of the Trustee or to remove and replace the Trustee. In particular, and not by way of limitation, the Trust Advisors shall have the power to (a) review and approve payment of all professional fees and expenses prior to payment by the Trustee; (b) review and approve any settlements proposed by the Trustee involving litigation claims which seek recovery in excess of \$_____. The Trust Advisors shall initially consist of _____ members, but may operate with as few as _____ members. The initial Trust Advisors will be appointed by the Committee. The Trust Advisors shall serve without compensation however reasonable expenses may be reimbursed by the Trustee at his sole discretion. [THIS SECTION TO BE COMPLETED BY CONFIRMATION]

1.5 Beneficiaries of the Trust. The beneficiaries of the Trust shall be the holders of Allowed Claims who shall receive a beneficial interest in the Trust in accordance with their treatment under the terms of the Plan and this Agreement, but only to the extent provided in the Plan.

1.6 Transfer of the Trust Assets to the Trust. In accordance with the provisions of the Plan, right, title and interest in and to the Trust Assets are hereby vested in the Trust and preserved for the benefit of the Trust beneficiaries. From and after the Effective Date of this Agreement, the Trust Assets shall be administered by the Trustee on behalf of the Trust beneficiaries. Prior to or contemporaneously with the execution of this Agreement, the Debtor shall have executed and delivered to, or to the order of, the Trustee any and all documents and other instruments as may be necessary or useful to conform title to the Trust Assets, including the Debtor’s books and records relating to the Trust Assets.

1.7 Funding of the Trust. The activities of the Trust will be funded by the Trust Assets and/or the proceeds of the disposition thereof.

1.8 Resolution of the Causes of Action. Subject to the terms of the Plan, the Trustee shall pursue, in his discretion, on behalf of the Trust as the designated representative of the Debtor, to either judgment, order, compromise or settlement, the causes of action transferred to the Trust pursuant to the Plan, resolution of which shall be affected in a manner reasonably calculated under the then existing circumstances to maximize the proceeds of the causes of action within the period necessary to fund timely the payments contemplated under the Plan.

1.9 Reserves. Prior to any distribution of cash or proceeds, the Trustee shall establish adequate reserves for the operation of the Trust and Disputed Claims that may become Allowed Claims after the Effective Date.

1.10 Interim Distribution. If and when, in the opinion of the Trustee, there are sufficient cash and proceeds to justify an interim distribution to creditors holding Allowed Claims, he may make such interim distributions to Holders of such Allowed Claims as he deems appropriate in his sole and absolute discretion; provided that the Trustee shall maintain an amount deemed necessary by the Trustee to be a sufficient reserve as required in this Section.

1.11 Unclaimed Distributions. Any proceeds or other cash held for the benefit of any Holder of an Allowed Claim, if unclaimed by the distributee within ____ months after the distribution, shall be redeposited into the fund and made available for other Allowed Claims, and all liability and obligations of the Debtor and the Trust to such distributee with respect thereto shall thereupon cease. The Trust beneficiaries' proportionate beneficial interest in the Trust Assets shall be transferable, except that a transferor of a beneficial interest must transfer its entire interest. The beneficial interests held by the Trust beneficiaries hereunder shall not entitle any Trust beneficiary to any title or direct ownership interest in or to any of the Trust Assets as such, or to any right to call for a partition or division of the same, or to require an accounting except as specially required by the terms hereof.

2.2 Evidence of Beneficial Interest. Ownership of a beneficial interest in the Trust Assets hereunder shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever.

2.3 Relationship Creates No Partnership or the Like. The only relationship created by this Agreement is the trustee-beneficiary relationship between the Trustee and the Trust beneficiaries. No other relationship or liability is created. This Agreement is not intended to create and shall not be interpreted as creating an association, partnership or joint venture of any kind.

2.4 Effect of Death, Incapacity or Bankruptcy. The death, incapacity or bankruptcy of any of the Trust beneficiaries during the terms of this Trust shall not operate to terminate the Trust, nor shall it entitle the representatives or creditors of the deceased to an accounting, or to take any action in the Bankruptcy Court or elsewhere for the distribution of the Trust Assets or for a partition thereof, nor shall it otherwise affect the rights and obligations of any of the other Trust beneficiaries under the Trust.

3. **Rights, Powers and Duties of Trustee.**

- (a) Receive and hold, to have exclusive possession and control thereof as permissible under applicable law, to maintain and to administer the Trust Assets;

- (p) Allocate items, receipts or disbursements either to corpus or income (or partially to corpus and partially to income) of the Trust as the Trustee, in the exercise of his best judgment and discretion, deems to be proper, without thereby doing violence to clearly established and generally recognized principles of accounting;

- (r) Borrow funds from any Person, subject to reasonable commercial terms as agreed upon by the Trustee and prospective lender, with the advice and counsel of the Trust Advisors;
- (s) Open any bank accounts which may be necessary to operate the Trust and distribute cash to the Trust beneficiaries;
- (t) Exercise every power granted to a trustee under the Bankruptcy Code, including the rights and benefits afforded by §§ 108 and 546 of the Bankruptcy Code, which may increase the enumerated powers of the Trustee otherwise granted herein, and engage in any and all other activities, not in violation of any other terms of the Plan and Trust Agreement, which, in the judgment of the Trustee, are necessary or appropriate for the proper liquidation, management, investment and distribution of the assets of the Trust in accordance with the provisions of the Trust Agreement, to effectuate the provisions of the Plan, and to perform such other tasks as the Bankruptcy Court may direct.

3.2 Representative of Estates. The Trustee is appointed as the representative of the Estate pursuant to section 1123(b)(3) of the Bankruptcy Code to pursue the causes of action transferred to the Trust pursuant to the Plan and shall be the only entity authorized to pursue the causes of action transferred to the Trust. Unless the Trustee consents, or unless otherwise ordered by the Bankruptcy Court, no other party shall have the right or obligation to pursue any such actions.

3.3 Payment of Trust Fees and Expenses. The Trustee may establish reserves and accounts at banks and other financial institutions, in a clearly specified fiduciary capacity, into which cash and property may be deposited and checks drawn or withdrawals made to pay or distribute such amounts as permitted or required for fees, expenses and other liabilities of the trust, pursuant to the Plan and this Agreement. Such funds shall not be subject to any claim by any entity except as provided under the Plan. All reasonable fees and expenses of the Trust and its agents, professionals and employees incurred in connection with (i) the objection to, and settlement, liquidation and payment of claims and interest against the Debtor; (ii) the liquidation or disposition of the Trust Assets; or (iii) administering the Trust and completion of the Plan shall, subject to the review and approval of the Trustee, be paid.

If any member of the Trust Advisors objects to payment of any invoice within the ____ day period, payment shall not be made on the disputed portion until the objection is resolved or on a vote by a majority of the Trust Advisors. Any unresolved disputes shall be decided by the Bankruptcy Court.
[THIS SECTION TO BE COMPLETED BY CONFIRMATION]

3.5 Authorization. All Classes of Creditors that vote to accept the Plan, or who are otherwise deemed to have accepted the Plan, hereby authorize the Trustee to act on behalf and in place of such Creditor to the extent provided herein and in any document and instrument delivered hereunder or in connection herewith and to take such other action as may be incidental thereto, including, without limitation, the exercise of any discretion in connection with any determination or decision required for the administration of the Plan and the granting of any waiver, consent, amendment, suspension, supplementation, extension, renewal or other modification with respect to any and all provisions of the Plan on a conditional or unconditional basis.

3.6 Exculpation. The Trustee shall be entitled to rely upon advice and opinions of counsel concerning legal matters, the authenticity of affidavits, letters, telegrams, cablegrams

3.7 Liability of Trustee/Trust Advisors. No recourse shall ever be had, directly or indirectly, against the Trustee by legal or equitable proceedings or by virtue of any statute or otherwise, or by virtue of any deed of trust, mortgage, pledge or note, or by virtue of any promises, contract, instrument, undertaking, obligation, covenant or agreement whatsoever executed by the Trustee for any purposes authorized, it being expressly understood and agreed that all such liabilities, covenants and agreements of the Trustee, whether in writing or otherwise, shall be enforceable only against and be satisfied only by the Trust, and every undertaking, contract, covenant or agreement entered into in writing by the Trustee may provide expressly against the personal liability of the Trustee. The Trustee shall not be liable for any act he may do or admit to do as the Trustee hereunder while acting in good faith. The Trustee shall not be liable in any event except for his own gross negligence or willful fraud or misconduct. The Trustee shall be indemnified and held harmless by the Trust for any and all loss by reason of his acts or contracts for the Trust except for loss arising out of the Trustee's own gross negligence or willful fraud or misconduct. The members of the Trust Advisors shall not be liable in any event except for gross negligence or willful fraud or misconduct.
